On Monday, our Head boy, Kiyan and Head girl, Faith were in charge of the school including greeting you and your children on the door, questioning interview candidates, delivering assembly and writing speeches for prize day. Form 6 had their final session of the Healthy minds program on Monday and enjoyed Forest School on Tuesday. Unfortunately, due to Mrs Boxer's absence through illness, Form 6 were not able to have their Holocaust Education session but will be able to complete this next Wednesday. Form 5 sat their Mock exams at Hartley Hall and all did very well coping with the high pressure environment. We are very proud of you all!

Wednesday was our whole school transition day – Upper school children met their new teachers in the morning and Lower School met their new teachers in the afternoon. They all completed their 'wonder' sessions, in which the children were shown the topics for next term and given the opportunity to ask questions and offer ideas they may be interested in to help inform the teacher's planning for next half term as well as understanding expectations for next year. It was lovely to see the children taking care to present themselves in the best possible light to their new teachers from uniform and behaviour to positive attitudes and engagement. We were very pleased to see so many parents in school for 'meet the new teacher' and to view the children's work from our Spirited Arts project – Thank you all for coming. It was especially wonderful to meet our new families for September at the new parent's tea session on this day and we look forward to welcoming you all fully in September. Thank you to Mrs Klemens and Mrs Lwin for helping out and providing the friendly face of FoSMS. For parents who couldn't attend the new Form 5's residential information session, all information is available on the parent website area and for all Form groups, important curriculum information will, of course, be shared again in September.

On Thursday, the children all completed their sponsored walk; walking, and in some cases running, for 1 hour continuously. The children all enjoyed this and there was such a wonderful atmosphere of enjoyment from the speedy front runners to the gentle chatting, ambling groups. The teachers were so impressed that every single child was happy and willingly taking part without any cajoling needed. Thank you to everyone who has already brought in their money and form - we were over £1800 on Thursday with many more being handed in today. If you have handed in the form without the money, please drop this into the office or BACS transfer it. If you have not handed your form and money in, please do so on Monday. Mrs Mbah will be announcing the winners next week.

Also on Thursday, we had a visit from SafetyMark, our health and safety assessors who were very pleased with how many action points we have met from their last visit and the additional improvements we have made in school. We await the results of this visit and will inform you of the outcome as soon as we hear.
